Diploma of Holistic Management - Sustainable Rural Lands, Business and Communities

Qualification:	Diploma
Course Number:	10428
Accredited Course:	Diploma of Holistic Management – Sustainable Rural Lands, Business & Communities
National Code:	10219NAT
Faculty:	Primary Industries & Natural Resources
Location	Various across NSW
Attendance:	Face to Face and Flexible delivery.

Entry Requirements

Participants may enter this qualification through a number of entry points including (but not limited to) completion of the Higher School Certificate, previous study at a Certificate IV level or above, experience in an agricultural or business enterprise, land management experience or an interest in ecology.

Career Opportunities

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include: Farm production manager, Production unit manager, Agronomist and/or Station/property manager.

Articulation

Articulation is available from the 91434NSW (6599) Course in holistic management. Learners who successfully complete nationally endorsed units of competence will be granted advanced standing in the relevant training package qualifications. The training package qualification AHC50110 Diploma of agriculture has a significant connection with this course.

Course Description

The Diploma of Agriculture reflects the role of personnel working on farms and stations who manage enterprise production units, and employees and sole operators of agribusinesses who provide crop production advice and services to production enterprises.

Recognition for Prior Learning

You may already have skills, knowledge and experience relevant to this course. You should discuss this with your teacher who may be able to assess your knowledge and experience and give you credit that will reduce the amount of study you need to undertake to achieve this qualification. This is called Recognition for Prior Learning (RPL).

Expenses

The standard TAFE administration charge of \$1432 per year (2013) applies. Students may also have to pay for additional resources or materials.
